

104-116 REGENT ST STUDENT ACCOMODATION PROJECT

Community Notification

Hi Neighbours,

Please be aware that on Monday 17/07/2023 we will be bringing an additional piling rig onto site to complete our main piled foundation works. As these machines on the truck cause a wide load, they will need to be brought in at 5:00am on Monday morning.

The relevant permits and council approvals have been obtained by the necessary authorities regarding the above.

No other works will be undertaken outside our DA hours on Monday 17/07/2023.

RCC appreciates your assistance during these above-mentioned works.

If there are any issues, please feel free to contact me.

Regards,

Sam Noyes - Project Manager
