

Construction Works

Dear Customer

Due to essential work in your area, there will be excavation works for the electricity supply for approximately 1 month starting on:

Start Date: Monday 19/10/2021 Finish Date: Friday 19/11/2021

Between the hours of: 7:00AM-06:00PM

ARA High voltage is currently performing certain electrical works on the ausgrid network for customers located in your area. To complete these works.

Please note: Excavation works (noise works), Cable pulling, traffic control, trenching and nature strips.

It would be appreciated if you could advise other members of your household/business.

While we will make every effort to minimise any disruption and/or inconvenience.

As ARA high voltage will be performing the relevant work, we suggest that you direct any queries or complaints to ARA High voltage.
